From Orangemonkie Team.
Thank you for purchasing our product.
You can share your work taken with the Foldio on Instagram and tag #foldio so that everyone can be inspired by your awesome pictures on http://orangemonkie.com/foldiotag/
Please read following information before using Foldio.

Foldio

Foldio is made of thin flexible plastic sheets. With excessive folding back and forth, it can tear. This is considered as "incorrect or abusive use," and therefore the Returns & Exchange Policy is not applicable.

Backdrop

The backdrop is a sensitive material. It can crease or tear when handled with carelessness.

LED strips

All LED strips are packed after being inspected. LED strips can be damaged by incorrect or abusive use such as bending, throwing or other inappropriate actions. The Returns & Exchange Policy is not applicable for incorrect or abusive use.

Foldio app

We provide Foldio application which is suitable for Foldio for FREE. It will help your photography in several ways. You can adjust brightness & color temperature easily. Also you can create awesome pictures with a chromakey function.The app is available for iOS. Please search 'foldio' on Appstore and download it.

Hope you enjoy the Foldio.
